GENESIS FIRE

Aquatic Artists has developed Genesis Fire to complement our natural stone water features. Add the beauty of fire to the tranquility of a Genesis water feature. These fire features conveniently attach to a standard propane tank and do not require expensive gas lines to be installed. They are an affordable option to add the sophistication of a fire feature without all of the headaches.

\$1,999/each or \$3,499/pair

STANDALONE WATER FEATURES

Do you want to transform your backyard, but you don't have a pool? Any of the Genesis water features can be installed as a standalone water feature with a hidden basin. These standalone water features have everything you need including the basin, pump and plumbing. All you need is a standard outlet. They are very low maintenance and designed to bring you years of enjoyment.
